

Free 30-minute Consult with iEat4Health for Natural Awakenings Readers

at iEat4Health

Optimal health and recovery IS possible.

**"All disease is the result of
a mineral deficiency."**

- Dr. Carey Reams

Uncover which specific minerals and vitamins your body is missing, then supplement it through specific foods to shift your body chemistry to the healing zone for wellness.

We offer a non-invasive body chemistry test, and then we create the right eating plan for YOU to achieve optimal health.

Susane Moua, certified
Body Chemistry Analyst
